

## ***MALAWI – THE LAND OF SMILES***

***Malawi is a fantastic place for volunteer travellers wanting to contribute something to the communities they visit in Africa. Opportunities range from working with children and wildlife to conservation and community outreach projects.***

### **Days 1, 2 & 3 Lilongwe, Cape Maclear**

Arriving by air in Lilongwe, Malawi's capital city, you will take a road transfer to Cape Maclear (about 250 kms) where you will be spending the next 3 nights at Tuckaways Lodge to get involved in some project work. Cape Maclear is a fusion of tourism and traditional African village life and the two co-exist in a peaceful symbiosis. But like anything good, the relationship needs ongoing care and the Chembe Village Community Project Centre provides the means for just that. The Project Centre, based at Tuckaways Lodge in the heart of the village, is your base as you immerse yourself in volunteer opportunities which include orphan and vulnerable child feeding schemes, safe drinking water provision, HIV/AIDS support, malaria prevention and health and hygiene awareness. Nights are spent in Tuckaways' beautiful reed chalets overlooking the lake, and meals are served at nearby Gecko Lounge or with a local family. (BLD)

### **Days 4, 5 & 6: Mumbo Island**

On day 4, catch the Kayak Africa boat out to Mumbo Island and reward yourself with some well-earned rest in a remote island paradise. The minimalist yet comfortable camp consists of seven safari tents with dining area and bar, all smoothly run by a discreet team of Malawian staff and expert island chefs, leaving you free to explore or relax as you wish. You will stay for 3 nights at Island Camp on Mumbo Island. (FB)

### **Day 7: Cape Maclear, Lilongwe for homeward flight**

After some R&R, you will take the early morning boat transfer back to Cape Maclear, where you will be transferred back to Lilongwe for your onward flight. The boat departs at 07:30. (B)
